**The MBA program Financial Management is a general management program with an emphasis on finance, management accounting, treasury, and business strategy. It is the only English-taught full-time MBA program in Germany with a dedicated focus on finance. The program is internationally oriented and specially geared to the requirements of foreign students. German language skills are not required since all modules are taught in English. You will learn cutting-edge models and techniques to solve real-life business problems with a special focus on finance. You will be able to understand the interdependencies between these and learn how to operate with them. In addition to the theoretical and practical foundations of financial management, strong emphasis is also given to the development of students' social and information management competencies. You will spend your time collaborating with international, talented, engaged classmates, who will teach you more than you can imagine.**
